Clean out your basement.
Empty your garage.
Clear out the back of your pickup.

Habitat for Humanity is looking for donations of your used and unused tools...or any related construction materials that can be used to help eliminate substandard housing.

Bring your items to one of the Tool Donation Stations listed below during the month of August. Most tools are placed directly into service at the Habitat job sites. The rest are sold at one of our ReStores. Every item you donate helps keep Habitat for Humanity working.

For more information, visit: www.sonnhalter.com/tooldrive or, email Rosemarie at rascherl@sonnhalter.com
