

Insider's Guide to

CLEVELAND

Welcome to Cleveland—home of beer, brats, baseball, rock 'n' roll and a whole lot more!

C-town just happens to be our hometown, so we know a lot about where to go and what to do here—all those nooks and crannies!

We've put together this Insider's Guide to Cleveland to fill you in on where to fill yourself up. You'll learn all you need to know about where to go for a night on the town after a hard day on the job.

C-town has it all: everything from comfort food to fine dining, at cozy pubs and supper clubs. (You see, at Sonnhalter, we not only like to get our hands dirty...we like to get them gooey and greasy too!)

So while you're enjoying a taste of the town, make sure you check out our city's many sights. You'll find out just how much Cleveland rocks...and why we're so proud to call it home.
