

Insider's Guide to

ATLANTA

Welcome to Hot-Lanta! The unofficial capital of the "New South" is a sprawling metropolis that's constantly being reinvented. So where to start? Don't worry; the Sonnhalter Insider's Guide to Atlanta is here to help.

We asked some of our friends in the ATL for their suggestions on where to go and what to do to get a feel for the "real" city. Sure, there's legendary soul food and good old southern hospitality, but with so many people flocking to The A, there's a true melting pot of cuisine, sounds and sights. After all, at Sonnhalter, we not only like to get our hands dirty, we like to make our stomachs happy too!

So, when you're not busy with business, make sure you get out and enjoy all this Olympic city has to offer. With so many vibrant neighborhoods, things are always jumping.
