Insider's Guide to

LAS VEGAS

"What happens in Vegas stays in Vegas"

is how the saying goes. But we can't keep quiet about all of the fun things there are to see and do in the City-That-Never-Sleeps. That's why we've put together the Sonnhalter Insider's Guide to Las Vegas. It's our way of helping you cut through the clutter to find the city's best restaurants, shows and sights.

We asked some of our Vegas-area friends for their recommendations on the best places to sample some of the local cuisine – not just those all-you-can-eat casino buffets. We wanted those secret locales that only the locals know about. Because at Sonnhalter, we not only like to get our hands dirty...we also like to get them greasy!

When you're not convening at the convention center, make sure you get a taste of the real Las Vegas.
