

Insider's Guide to

SAN FRANCISCO

Welcome to San Francisco—the City by the Bay! S.F.O., cable cars, hilly streets and beautiful vistas—a great place to live— an even greater place to live it up.

To help you find some of the city's finest in dining and entertainment, we've put this guide together and cut through the clutter to let you know about the best places to eat, drink and then eat some more.

We asked our Bay Area friends for their recommendations on where to sample the local cuisine. The result is a list of those secret locales only the locals know about. After all, at Sonnhalter, we not only like to get our hands dirty...we like to get them gooey too!

When you're not busy with business, be sure to head up—or down—the street to sample some of the many hangouts and hideaways. And make it a point to check out the famous landmarks, but most of all, enjoy...there's no place like San Francisco!
