

Insider's Guide to

CHICAGO

It's called the Windy City...and the Second City.

But the nickname we like best for Chi-town is the City of Big Shoulders. This is a city that works...and works hard. It's also a place that plays hard, which is why there are so many fun things to see and do here. We've put together the Sonnhalter Insider's Guide to Chicago. It's our way of helping you cut through the clutter to find the city's best restaurants, shows and sights.

We asked some of our Chicagoland friends for their recommendations on the best places to sample some of the city's cuisine – and not just Chicago-style pizza and hot dogs. We wanted those secret locales that only the locals know about. Because at Sonnhalter, we not only like to get our hands dirty...we also like to get them greasy!

So, when you're not convening at the convention center, make sure you get out and get a real taste of Chicago.
